**AUGUST 24, 2018 FOR IMMEDIATE RELEASE (Marshalltown, IA)** – Clapsaddle-Garber Associates, Inc. (CGA) is pleased to be exhibiting at the Iowa League of Cities Conference September 12-14 at the Mid-America Center, located on One Arena Way in Council Bluffs.

400-450 attendees made up of city clerks, city council, mayors, city managers and other appointed and elected officials from large, medium and small cities around the state are expected. The League's Annual Conference & Exhibit is the largest event in the state geared specifically toward the needs of Iowa's elected and appointed municipal officials. Held in September of each year, the conference includes workshops, an exhibit hall and unique networking opportunities. This year there are 160 exhibit booths, including CGA's, which is located at #80. Companies and organizations who offer services to cities are in attendance.

The exhibit hall is open Wednesday, Sept. 12 from 5:30-8 p.m. and Thursday, Sept. 13 from 8-10:55 a.m. The CGA booth (#80) will be staffed and ready for you to visit!

ENGINEERS • LAND SURVEYORS

*The Iowa League of Cities serves as the unified voice of cities, providing advocacy, training and guidance to strengthen Iowa's communities. The Iowa League of Cities has been serving as a key resource for municipalities since 1898, when a small group of city officials gathered in Marshalltown to exchange ideas on how to strengthen and improve local government in Iowa. Those officials had a vision. They recognized that by joining together as one voice, all cities would benefit – then and in the future. More than 870 of the cities in Iowa, both large and small, are members. The League is governed by members through an Executive Board of officials, balanced by geographic region and city size.*

*Clapsaddle-Garber Associates, Inc. (CGA) is a civil engineering and land surveying firm based in Ackley, Ames, Cedar Falls, Marshalltown and Webster City, Iowa. They have provided a full range of quality engineering and land surveying services throughout Central Iowa since 1959. The CGA team includes Professional Engineers, Licensed Land Surveyors, and a Real Estate Broker. Areas of expertise include aviation facilities; construction administration for public and private clients; residential, commercial, and industrial subdivisions; public, commercial, and private site designs; land surveying and construction staking; right of way acquisition; storm water studies and management plans; construction testing and observation for public and private clients; studies, planning, and design of traffic, transportation, and recreation facilities; planning and design of water distribution systems; and planning and design of waste water collection systems. From concept through completion, CGA is your engineering firm! Learn more at [www.cgaconsultants.com](http://www.cgaconsultants.com)*
