

CGA | STREETS AND TRANSPORTATION

SOUTH DUFF AVENUE IMPROVEMENTS | AMES, IA
Improving the safety of Ames' Roads

The project area was from the Squaw Creek Bridge to South 5th Street

PROJECT HIGHLIGHTS

- CGA conducted the Preliminary and Final Design phases of the South Duff Avenue improvements in the Fall of 2016.
- Survey crews completed the topographic survey within the highway right-of-way over the course of two nights.

PROJECT SUMMARY

- Location: Ames, Iowa
 - Completed: 2017
 - Construction Cost: \$ 1,150,000
- CGA assisted in funding applications and submitted to the Iowa DOT for Safety Funding and helped secure \$850,000 for the project
- Contact:
Damion Pregitzer
phone 515-239-5275
dpregitzer@city.ames.ia.us

- Plans were developed and reviewed with the Iowa DOT, City of Ames, and other stakeholders along the corridor.
- Easement documents were developed for cross access locations, and approved by all affected stakeholders.
- Construction began in the Spring of 2017.
