WE DESIGN. YOU ENJOY.

ABOUT US:

Established in 1991, WA has been providing architectural design services for over 34 years in Iowa and surrounding states. With two fully licensed architects on staff, led by Tom Wertzberger, WA has experience on multiple projects related to retail/commercial, residential, industrial, and public facilities.

WA's fully integrated design process includes Computer-Aided Drafting (CAD) and BIM (Autodesk Revit), with capabilities of producing detailed 3D renderings and graphics. Notable clients of WA include Emerson, Meskwaki, JBS, Best Western, RACOM, Musco Lighting, Wendy's, Arby's, Fareway, Marshalltown Community School District, and many others in local communities.

WE SPECIALIZE IN:

RETAIL/COMMERCIAL

INDUSTRIAL
WAREHOUSING & FOOD PRODUCTION

PUBLIC
CLINICS, SCHOOLS, & DAYCARES

OTHER:

INTERIOR DESIGN
RENDERINGS
PROJECT MANAGEMENT

CODE ANALYSIS
FURNITURE & FIXTURES
PLANNING

WHY CHOOSE WA?

Wertzberger Architects has two licensed architects and two architectural draftspersons on staff who have accumulated many years of experience in both public and private sectors. Whether you're looking to build multi-family housing in town, develop an area for a daycare or restaurant, or produce a new clinic for your local community, WA has the qualifications and resources to meet your project requirements throughout multiple industries.

By joining forces with Clapsaddle-Garber Associates(CGA), who has a long-standing resume in the engineering, surveying, and design industry, WA has full-access to CGA's site design expertise.

Wertzberger Architects is ready to make your vision come to life. Let's start your project!
